

Zach Verwey_{LLC} Counseling Services

Automatic Credit Card Billing Authorization Agreement

For your convenience, Zach Verwey LLC offers automatic credit card billing to pay for your sessions.

To have your session fees deducted from your credit card account, complete the following information and return it. Payments will be withdrawn from your account within 24 hours after your scheduled session.

This program is voluntary and you may discontinue it at any time. Please let me know if you wish to cancel this service.

The automatic credit card billing plan will terminate at the expiration date of your credit card or at the termination of the therapeutic relationship. If your card expires, you must submit a new form with the updated information to continue this service. Upon receipt of this new form, any outstanding payments will be charged to your credit card.

If you wish to cancel the automatic credit card billing, you must notify me at (720) 334-7226. In the event that the charges are denied by your credit card company, you will be notified and requested to pay by other means. If the charges are denied, late fees and/or penalty fees may be assessed.
